VOLVO PENTA INTERNATIONAL LIMITED WARRANTY STATEMENT

MARINE LEISURE

Valid for products shipped after September 1, 2024

V O L V O P E N T A

INTRODUCTION

New Volvo Penta marine engine configurations, parts and accessories (herein "Product" or "Products") are covered by the Volvo Penta International Limited Warranty (herein "Warranty") according to the terms, conditions and limitations stated herein. Please take the time to read this Warranty Statement and the Service book carefully along with the Operator's Manual which has also been provided with the Product before starting or using it for the first time.

This Warranty is offered by AB Volvo Penta to the owner or end user of a Product (herein "Customer") and is in addition to any rights the Customer may have under applicable mandatory law.

This Warranty will be fulfilled in cooperation with Volvo Penta Business Partners (including Importers, Distributors, Dealers and Workshops, that have been authorized by Volvo Penta), herein "Authorized Volvo Penta Dealer".

On the day the new Product is delivered, the party who sold it, or the authorized Volvo Penta Dealer, will register the Product online in Volvo Penta's Product handling system called Product Center. For convenience, a printed customer copy may be obtained from an authorized Volvo Penta Dealer. For information on how Volvo Penta handles personal data pertaining to the Product registration, please visit www.volvopenta.com.

To enable Customer to assert its rights in connection with this Warranty, the authorized Volvo Penta Dealer will check the warranty validity in Product Center. A copy of the relevant invoice or receipt is valid as warranty certification for replacement parts and accessories.

Contact an authorized Volvo Penta Dealer if an Operator's Manual has not been received or in case of uncertainty whether product registration has been carried out or not.

GENERAL

This is to certify that AB Volvo Penta, (herein after "Volvo Penta") Gothenburg, Sweden, warrants that the Product is free from defects in material and workmanship for the Limited Warranty Period stated below, under the terms and conditions and with the limitations specified in this Warranty.

This Warranty only applies to leisure use. Leisure use means that the Product is only used for Customer's own personal use and recreation. This Warranty does not apply to products in commercial use, including but not limited to revenue generation, passenger transport, cargo transport, public sector/ governmental service, rental, or charter e.g. paid crew, paying passenger, including multiple ownership interest or fractional ownership, and other uses which are not for the Customer's own personal use and recreation. Products in commercial use are covered by the Volvo Penta International Limited Warranty for marine commercial products, which is set out in a separate Warranty Statement.

This Warranty does not apply in countries where Volvo Penta is not represented. Please consult www.volvopenta.com for list of countries where Volvo Penta is represented.

LIMITED WARRANTY PERIODS

The Warranty's validity begins at the time the Product is delivered to the first Customer and continues for the period shown in the table below. The delivery date is recorded in Product Center together with all the other relevant Product information and is accessible to both authorized Volvo Penta Dealers and the Customer. It is the Customer's responsibility to make sure that the registration in Product Center has been done.

In case a Product is repaired or replaced during the Limited Warranty period or additional coverage period at no cost to the Customer, the replacement Product or the part or parts used for repair receive the remainder of the original Limited Warranty Period for the original Product that was replaced or repaired.

For example, if a Product is registered for warranty in Product Center and is entitled to a 36-month Limited Warranty Period, and a warranty repair is performed after 34 months, any parts used for the repair at that time will receive the remaining 2 months warranty coverage.

Removed components that are replaced under warranty by AB Volvo Penta or any authorized Volvo Penta Dealer are the property of AB Volvo Penta.

Products which are not delivered to the customer more than three (3) years from the date of shipment from Volvo Penta do not have coverage under the Limited Warranty

The Limited Warranty Period are the months or operation hours, calculated from the date defined above, whichever occurs first, stated in the tables to follow.

WHAT THE INTERNATIONAL LIMITED WARRANTY COVERS

This Warranty covers defective Products. Under this Warranty, a Product is considered defective if it is found, during the limited warranty period, to have an inherent defect in material or workmanship that existed in it at the time of shipment from the relevant Volvo Penta facility.

Volvo Penta will either repair or replace defective Products, whichever is decided by Volvo Penta.

WHAT THE INTERNATIONAL LIMITED WARRANTY DOES NOT COVER

This Warranty does not apply to defects that are likely to have been caused by transportation, installation or repairs.

This Warranty does not apply to defects that are likely to have been caused as a result of any of the following:

- Abnormal use
- Carelessness, misuse
- Competition use or preparation for competition use
- Over or under loading
- Insufficient lubrication
- Corrosion as determined by Volvo Penta
- Cavitation
- Normal wear and tear
- Physical damage such as punctures, tears, etc which are not related to a product defect
- Use of parts or chemicals other than genuine Volvo Penta parts
- Lack of, insufficient or incorrect maintenance
- Incorrect installation or parameter setting
- Accidents
- Fuel contamination or use of fuel, oil and/or lubricants not specified in the Operator's Manual
- Improper storage, including but not limited to gummed cooling or fuel systems, dried and cracked belts, hoses, impellers, bellows and seals, paint flaking and lifting, seized components, corrosion, and freeze damage
- Failure to comply with Operator's Manuals, maintenance instructions, installation instructions or any other applicable Volvo Penta instructions
- Alterations or modifications of the Product, including alterations or modifications of software or electronic devices including override, removal or change to safety shutdown/inducement system parameters or strategy
- Repair work (including installation and/or update of software) having been performed by a workshop other than an authorized Volvo Penta Dealer
- Breaking of seals
- Usage in violation of law or for unintended purposes
- The defect having become aggravated due to failure by the driver/operator to take immediate and appropriate action after such time as the defect became known or should have become known to the driver/operator or after activation of the vessel/machine warning indicator system.
- This Warranty does not apply to defects caused by the Product's combination with engines, transmission, or any other mechanical or electronic product or accessory not sold or approved in writing by Volvo Penta.
- Consequential repairs resulting from interference of the Information Systems or Product Data
- Natural phenomenon, including but not limited to, lightning, thunderbolts, flooding or other force majeure events, including but not limited to war, uprisings, acts of terror, strikes, widespread diseases

This Warranty does not apply to defects caused by the Product's combination with engines, transmissions, or any other mechanical or electronic product or accessory not sold or approved in writing by Volvo Penta.

V O L V O P E N T A

This Warranty does not apply to any Product: (i) which has been sold, re-sold, exported, re-exported or otherwise handled in violation of any applicable trade sanctions, export control regulations, rules or licenses, including those of the United States of America ("US"), the United Nations ("UN") or the European Union ("EU") or its member states; (ii) used in Military End Use, as defined in applicable EU Common Military List or similar applicable national instrument, in a country subject to a UN, US or EU arms embargo or used in connection with weapons of mass destruction, or; (iii) if the performance of the repair or replacement of the Product or other related services would be prohibited under applicable EU, US or other national trade sanctions law or export control regulations.

CLAIMING UNDER THE INTERNATIONAL LIMITED WARRANTY

To claim a remedy under this Warranty, the Customer of a Product must report any defect in the Product to an authorized Volvo Penta Dealer. A list of authorized Volvo Penta Dealers is available at www.volvopenta.com. Such a report must be made as soon as possible and no later than fourteen (14) days from the date when the Customer first observed the defect or ought to have observed it and consequently in no case later than fourteen (14) days after the expiry of the Limited Warranty Period.

The Customer is recommended to secure evidence of the date when the report was made, for example a copy of a letter. The Customer must establish the eligibility of this Warranty or additional coverage by showing necessary documentation.

This Warranty is conditional upon Volvo Penta being able to gather, access and use data from the Product at any time for warranty purposes.

LIMITATION OF LIABILITY

The repair and replacement remedies described under "WHAT THE INTERNATIONAL LIMITED WARRANTY COVERS" above are the sole and exclusive remedies available to the Customer in respect of this Warranty. Except as provided for in this Warranty, Volvo Penta is not liable to the Customer whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any direct, indirect, incidental or consequential loss (including but not limited to loss of use, loss of income, loss or disturbance of production, loss of profits, loss of time, loss of property, cost of travelling, cost of transport, extra costs incurred to make the Product accessible, cost of docking and cranes) arising under or in connection with this Warranty.

All repairs or replacing under this Warranty must be carried out by an authorized Volvo Penta Dealer during normal working hours. This also applies abroad.

Volvo Penta does not authorize anyone to assume any other liability on its behalf in connection with the sales of Products than described in this Warranty. The performance of a remedy or of any other service by an authorized Volvo Penta Dealer does under no circumstances constitute an acceptance or acknowledgement of liability.

Volvo Penta reserves the right to make any changes to products manufactured and/or sold at any time without prior notice and without incurring any liability or obligation to make the same or similar changes to Products previously manufactured and/or sold.

V O L V O P E N T A

CUSTOMER'S OBLIGATIONS – IMPORTANT

As Volvo Penta does not have any control over the installation of its Product(s) we recommend the Customer to ensure that the authorized Volvo Penta Dealer checks and ensures that the Product(s) is (are) correctly installed.

The party who sold the Product is responsible for ensuring that a full free-of-charge product inspection has been carried out according to Volvo Penta instructions (refer to the Service Book) and is registered in Product Center; it is the Customers' responsibility to make sure this has been done.

A performance of a product inspection is a condition for the validity of this Warranty.

The Customer is liable for the operation, maintenance and care of Volvo Penta Products in accordance with the instructions and requirements stated in the Operator's Manual during and after the Limited Warranty Period.

Operation should be in the accordance with the engine application definition.

Records should be kept of all maintenance services performed including engine oil and filter changes. This record of proper maintenance is required for the purpose of determining warranty coverage on repairs and it is the responsibility of the Customer to transfer such documents to the subsequent Customer. Nothing in this Warranty Statement shall prevent the Customer from transferring this Warranty to a subsequent purchaser. However, it will be the Customer's responsibility to ensure that all of the necessary documentation is provided to the new Customer to enable the new Customer to benefit from this Warranty.

All warranty services relating to the Products have to be performed by an Volvo Penta Dealer.
